Rabin's RDB Group Discusses Dairying In The Glades Area

Vern P. Tuttle, Manager of the Miami area and Joseph H. Harper, Procurement officer for Foremost appeared before Harold Rabin and his Agricultural Division on Tuesday to explain the project of their company at Hillsboro Plantation.

"We are not producers of milk," said Mr. Tuttle, but are distributors of milk and milk products; we manufacture some milk, particularly on the west coast. Our plants in the southwest Pacific, Japan and Korea have furnished the boys in the Korean project with milk and milk products right up to the front line. Florida's imports \$25,000,000 of milk annually and Florida can produce that, or a great portion of it."

"Our project at Belle Glade is only a model, to demonstrate to the farmer just what can be done towards combining beef and milk cattle to the advantage of both."

Mr. Harper told of the work of his company in other parts of the State, especially with younger men who are just beginning in the dairy business. "We have never had a fore-closure, but have had to work hard to get some out of trouble. That's our business—to help the farmer set himself up and get him to operating on the right track. Our experienced men will help in securing cows, selecting equipment and installing system of operation."

It developed during the hearing that Foremost plans to "lot feed," which means hauling the grass to the cows fresh-cut each morning instead of taking the cows to and from the pasture. The addition of concentrate, as needed, to supplement the high protein grasses is intended.

Joe Tom Boynton, Chairman of the Dairy and Beef Cattle Committee of the Rabin's Agricultural Division, heartily endorsed the project as "a wonderful opportunity to Glades farmers to add a few dollars monthly milk check in addition to the annual beef check."

Ralph Kidder of the Experiment Station also endorsed dairying in the Glades and offering an opportunity to produce milk from the very high protein grasses, as well as to work out a more efficient method of utilizing the great tonnage produced during the warm months.

George Young of the Cattlemen's Marketing Association also endorsed the idea enthusiastically, but warned against heading participation before it is in possession of all the facts as to cost etc.

Alf Neilson, otherwise Alf Creamery, endorsed the idea of producing "manufactured" milk and praised the work of Foremost in initiating and spending their own money on demonstration of the plan in the Glades.

Arrangements are in the making for Joe Tom Boynton, for the Committee and Mr. Tuttle to arrange a survey to find out just how many cattlemen will undertake to participate in a plan whereby they can demonstrate a new plant on Hillsboro milk to be produced by the Hillsboro Facilities for purchase of the plant and the equipment being installed at the local plant.

Ralph Kidder wanted cattlemen against depending on "cow boys to milk dairy cattle—they don't make good milkers."

GET ACQUAINTED MEET HELD AT SCHOOL TUES.

Approximately 80 people attended the "get acquainted meeting" in the Home Economics Room of the Belle Glade High School Tuesday from 10 to 11 a.m.

The group included leaders of civic organizations, school teachers, many of the town, FFA officials and several parents. Refreshments of cookies and punch were served.

FIRST AID COURSE CONDUCTED AT SCHOOL

Ray Litchfield is instructing a "First Aid Course" at the High School every Monday night at 8:30 o'clock, for a two hour course which continues for nine weeks.

Every two years the Fire Department members take the first aid course to keep informed on the latest first aid. This course is open to the public also and Mr. Litchfield would like to have about ten more in the classes.

Ford Moves Into Tractor And Farm Equipment Field

The Ford Motor Company has advanced from the sponsorship of farm tractors and field equipment into the actual responsibility under its own name.

The Ford tractor will be Ford and the Dearborn Equipment production will be a direct responsibility of the parent company.

Ford field-hands entered the field several years ago with Ferguson and later thru the Dearborn organization, but is now "tooth and toe-nail" in the business.

Charles Bolton, local Ford Dealer, says "Ford has designed, engineered and manufactured more than two million tractors, but is now operating with a Ford Tractor Division of the Ford Motor Company, and is assuming direct responsibility for both the tractor and the Dearborn implements."

"What this means to the farmer and to us as Ford Dealers is that we can look to Ford, even more than in the past, for the best farm equipment that modern methods can produce at the lowest possible cost."

Mr. Bolton continued, "We will have on hand here the newest in design as it comes from the factory and we will keep the Glades abreast of the times."

THREE REGISTRANTS FOR INDUCTION CALL

The following registrants have been ordered to report for induction call on Wednesday, September 9, 1953:

Albert Clay Stevens and Robert Earl Cook, both from Belle Glade, transferred from Local Board No. 35, Dothan, Alabama, will also be inducted at this time.

"Post Everlasting" Services Conducted By Everglades Post

Eulogical and commemorative services of the Legion transfer the names of departed comrades and consign their records to the "Post Everlasting of the American Legion," in solemn ritual with a military decorum.

On Tuesday night three recently departed members were honored by Commander Jones and officers: — L. C. Young, Jim Sconyers and Nelson Morris.

Nelson Morris, born in Tallamont, S. C. on October 12, 1916, came to the Glades in

100 County Teachers Study Glades Agricultural Efforts For A Day

School Commissioner Henry Harwood and Roy Litchfield met at the School Commissioner's office in Belle Glade on Tuesday, Sept. 2, to plan a day of study for 100 county school teachers on the Agricultural Station conducted by Dr. Tommy Knight and his staff.

School Commissioner, Harwood led a group of approximately 100 county school teachers on a tour of the Agricultural Station conducted by Dr. Tommy Knight and his staff.

Sam Knight conducted the group over the Duda operation where rice beds, land preparation, rice seed and cover crops were viewed.

The cattle operation of Fritz Stein was visited where home-grown corn for finishing purposes were shown.

A Pioneer Growers Cooperative the mysteries of harvesting, grading, packing, pre-cooling and selling of winter vegetables were explained to them.

NELSON MORRIS

1930 and engaged in farm ventures until his connection with Agricultural Insecticide. In January of '42 he enlisted and served in Italy, France, Iceland and the Mediterranean and in the Rhineland, returning home to his position with the Agricultural Insecticide.

A better understanding of our activities by folks on the east coast is very desirable," said Mr. Harwood. The teachers quickly brought to the fore the phenomenon of the auctioneer, and buyers' intelligent conversation to their attention.

Nine Candidates For Three Offices Offering "Good Government" To City On No Outstanding Political Issue

One Woman Candidate Is Attempting To Break The Ice In Local Politics

LABOR TO BE SUBJECT AT MIAMI FFVA MEET

Officials of the United States and Florida State Employment Service will explain the Federal and State Farm Placement Programs at the tenth annual convention of the Florida Fruit and Vegetable Association, according to Dixon Pearce, Miami, president of the growers' organization.

The convention will be held at the Casablanca Hotel, Miami Beach, on September 23, 24 and 25.

Pearce said, "Labor is always a subject of interest and concern to Florida growers and for that reason we have invited high ranking representatives of the Employment Service to be prominent on the Labor Forum, a prominent feature of our convention."

"These authorities will explain current regulations of the Farm Placement Programs and discuss the general outlook for the coming season," Mr. T. B. Manuel, Ft. Lauderdale, vice-president of FFVA's Labor Committee, will preside at this meeting.

"All Florida agricultural labor users are urged to be present because a detailed view of the labor situation will be presented."

"Membership in the Association is not a requirement for attendance at this or any other general session of the convention," Pearce added.

HURRY FOR YOUR FOOTBALL TICKETS

Those wishing to purchase football tickets are urged to get them before Sept. 15 as there are not many available. All tickets regardless of whether they are for the home or away game must be picked up by the 15th, at the high school.

Schedule

Miami Tech — Sept. 17 — there

Vero Beach — Sept. 25 — here

Clewiston — Oct. 2 — there

Pi. Pierce — Oct. 9 — there

Stuart — Oct. 16 — here

Open — Oct. 23

Pompano — Oct. 30 — here

Lake Worth — Nov. 6 — here

Courtside — Nov. 13 — there

Okechobee — Nov. 20 — there

Pahokee — Nov. 25 — here

POST OFFICE CLOSING LABOR DAY, SEPT. 7

According to George Farnall, postmaster, there will be no window service at the local post office, Monday, Sept. 7, Labor Day; nor will mail be delivered on that day, but pick up service will be as usual.

PREINDUCTION CALL FOR SEPTEMBER 10

The Preinduction Call for September 10, 1953 is for two local men. In addition two registrants will also report for examination. These registrants will be transported by bus to the examination site on the date above mentioned. Mr. F. W. Quinn, Local Board Clerk has ordered registrants to report at the Local Board Office on Thursday, September 10, 1953 at 9:45 a.m. sharp.

HOSPITAL AUXILIARY MEETING SEPTEMBER 8

The Belle Glade Memorial Hospital Auxiliary will hold the first fall meeting, Tuesday at 2 p.m. Sept. 8. All members of the Auxiliary are urged to attend. Meeting will be held on the 2nd Tuesday of each month.

DOES IT MAKE SENSE?

The two holdover Commissioners are most conscious of and are active in promoting the flood control situation in southeast Florida and particularly in the Glades.

Of the nine running for office at least three know by experience the absolute necessity of water control in any farming or cattle venture in the Glades.

The other six by long experience in the Glades are enthusiastic proponents of the present control plan.

It's agreed by everyone that our industry of farming in the Glades needs water control as much as it does fertilizer, plowing and trucks with which to get to and from the field, with hands, supplies and the harvest.

The recent rains, and particularly those of the weekend have proven to every housewife the need of flood control in the City of Belle Glade.

We're for the City Manager, more streets, sewerage disposal system, better light, mosquito control, better fire department and efficient police department, as well as an improved water department, at greatly reduced taxes.

We're just "for them all," but we have half water control now, and fair to average water control can be secured for the City from here out with a comparatively small expenditure of money.

We've got water control on our farms; Why can't we have it for our homes and businesses?

Ask the candidates!

RAIN SOUALL CAUSES COLLISION OF CARS

During a rain squall Friday afternoon at 1 p.m. two cars were involved in an accident due to poor visibility of one driver.

Mr. Lenora J. Harris, Ocala, Camp, driver of a panel truck going east, stopped at corner of S.E. First St. and Palm Beach Rd., started on but failed to see approaching car coming from the east driven by George Thomas, colored, West Palm Beach, who slowed down but was too late to avoid a collision which caused the Cadillac he was driving to hit a pine tree.

There were no injuries, and slight damage to the truck, but the Cadillac was badly wrecked.

Patrolmen Launch Holiday Drive

A feature of Holiday operations to reduce accident and loss of life will be launched by the Florida Highway Patrol starting at 6 p.m. Friday and continuing thru midnight, Sept. 7, according to Trooper Bertrand of the Highway Patrol in this area.

All civic clubs and organizations in this area are invited to send representatives to participate in the drive.

The object of this program is for the various members of civic clubs to ride with the patrolmen for three hours and to observe the driving in patrol cars does so at their own risk.

Trooper McWilliams and Berendsen will be on duty during this Holiday drive. Those desiring to participate call Belle Glade 3185 or Pahokee Highway Patrol Office.

NINE CANDIDATES

(Continued from Page One)
ed by The Herald to outline his or her platform and are printed elsewhere in this issue.

ZACK T. INGRAM

I have been a resident of Belle Glade for 15 years and associated with the Glades Equipment Company, and the agricultural development of the Glades.
It is my belief, that Belle Glade should keep pace with the agricultural community it serves and that improvement and progress should follow

closely the development of the surrounding area.

If elected I guarantee to give impartial service to the best of my ability, and promise a good clean administration to the citizens of Belle Glade.

GEO. E. TEDDER

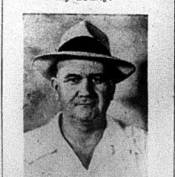

Friends of Belle Glade, I announced as a Councilman of Belle Glade because I am a citizen and taxpayer and feel that as such it is no more than my duty to want to help in any way I can in the future development of the town.

I am sixty-four years old and have had sufficient experience in managing my own business and helping manage other business to see and understand what a business is.

Your city business is nothing

more than a business that affects every citizen in its bounds. Remember that your pocketbook is nothing more than the City's Bank account and this should be guarded. We are not going to find money as free and easy as it has been and, I think we would do well to watch every step and not be caught with an over-load of expense on what you might think you had money coming in to pay for, but did not come. The taxes on your property is the only money that a City can safely say is sure, this has to be paid regardless. Other business can close up and move out but your property is here and must stand for what ever we are into.

My only platform is do as good job as I know how.
I will appreciate your confidence in my ability.

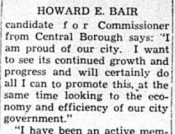

SARA LEE CRECH

As a citizen of Belle Glade I am a candidate for election to our City Commission.

I am not running against anyone nor with anyone.
As a citizen I believe that we have a priceless heritage in our American machinery of democratic government, but, however cherished, it will work only when there is spirit and energy, interest and understanding of the people; that "politics" is the accepted avenue to activity in our National, State and local governments and that to maintain our system of government and to assure wise administration of our laws it is the duty of all men and women to be politically alert and active; that efficient service and civic achievements do not come by accident but through intelligent cooperation between public officials and the people in a constructive and comprehensive program for improving and promoting good government; that locally it should be the prime objective of all public officials and the people to protect this our heritage, and to establish for our City a reputation of foresight in planning and developing a community to meet the requirements of today and the challenge of future growth.

With these obligations in mind my one promise is to all: I

HOWARD E. BAIR

candidate for Commissioner from Central Borough says: "I am proud of our city. I want to see its continued growth and progress and will certainly do all I can to promote this, at the same time looking to the economy and efficiency of our city government."

"I have been an active mem-

ber of Belle Glade Fire Department since 1938 and was instrumental in securing police radio for the City of Belle Glade. I installed and maintain the police radio—a more efficient crew with less police men is the result of this service. Having been closely connected with city affairs, I feel confident I can contribute to better city government."

pledge as your City Commissioner to keep well informed on important issues; to study those issues; to present the facts to the public honestly; to be responsive and reflect accurately the thinking of the local community; to express, through official channels, the aims and aspirations of the community; and to devote my action to community progress believing that "it is good for the community of Belle Glade as a whole, it is good for you and for me."

For qualifications to serve as your City Commissioner I offer my personal reputation and my constant record of community service.

LESTER RHUDY

candidate for Commissioner from North Borough states that he does not have a platform

HERMAN CLOSE

In offering myself for re-election to the position of City Commissioner, I ask the voters to consider the accomplishments of the two years I have served. I pledge my efforts to a con-

tinuation of improvements already accomplished, those under way and for the following:
City Manager, Better Water Control; Continued improvement of the Streets; Continued improvement of our water by extension of source of supply into Lake Okechobee; Securing and developing the ten-acre park for colored people; Securing for park and public use five acres near the High School and continued work on streets and sidewalks around our schools.

A. J. RICHMOND

Despite rumors to the contrary, I plan to remain a legal resident of the City of Belle Glade, and am offering myself as a Candidate for Commissioner from the Central Borough on that basis.

My son and I will continue to operate the plumbing business, and my two grandchildren will be reared in the community.

My previous experience as Commissioner, my business and family interests in the community in which I have lived for 24 years cause me to have the highest faith and confidence in its future and want it to continue to grow with the community, and enjoy those things beneficial to its people.

I have some very definite ideas about the swimming pool we have been discussing for

and would make no rash promises that he couldn't carry out himself. However, he is for a clean, honest and efficient government, and would not be a yes man for any group or person.

Mr. Rhudy also states that the government should be for taxpayers and not a chosen few, that each city department should operate within its own budget, sidewalks should be built on West Lake Road, as promised four years ago and that the drainage program should be finished as begun some three years ago.

Despite rumors to the contrary, I plan to remain a legal resident of the City of Belle Glade, and am offering myself as a Candidate for Commissioner from the Central Borough on that basis.

HOSPITAL NOTES

Friends of L. V. McMillan, former resident of Belle Glade, now living in West Palm Beach, will be glad to know that he has been released from Good Samaritan Hospital, where he was a patient for two weeks and is now convalescing at home.

Mrs. Rosa V. Cook returned Friday from Good Samaritan Hospital in West Palm Beach after undergoing surgery.

Births

August 29 — Mr. and Mrs. Chive Boone (Sara Cowen) announce the birth of a son, Michael Ivens, at the Good Samaritan Hospital, West Palm Beach.

The American Newspaper Publishers' Association estimates that the nation's daily papers employ 10,000 trucks traveling 200,000,000 miles per year to distribute newspapers while their contents are fresh.

Ready Helps Make the Difference!

Reddy Kilowatt is the big difference in these Labor Day activities...Reddy and the free enterprise system in which he operates.

Russia has more people...less electric power. But we have the know-how of unfettered production...and more power...over 4 times as much! In fact, the electricity used by the average American worker is equal to the muscle power of 210 Russian slave laborers!

We are happy to be one of America's progressive utility companies, producing more and more electricity... helping labor to produce more...and to enjoy better living.

MAPP AND RIDER

PLAN SUBDIVISION
E. C. Mapp and Ben Rider have recently purchased a tract of land on N. East Lake Rd. within the city limits and are planning to open a new subdivision in the near future. The subdivision will be the Rider-Mapp Subdivision. Mr. Rider owns about 3 acres and Mr. Mapp 8½ acres.

PICNIC SUPPER IS PLANNED BY VFW

A picnic supper is planned by the VFW at the Municipal Park at 5:30 pm on Labor Day, Sept. 7. All members and their families and those eligible for membership are invited to attend.

PRESBYTERIAN CIRCLES STUDY CHAPTER-MARK

Three Circles of the Presbyterian Church met Tuesday night with the Bible study taken from Chapter 10 of Mark and the "talk about period" on, "How To Be A Mature Christian."

Circle 1 met at the home of Mrs. Richard Murray. Mrs. R. Robert Roadman gave the devotion, Bible study by Mrs. Tommy Parker, and the talk about period by Mrs. C. E. Critchfield.

Others present were Mrs. W. P. Knight, Mrs. Lois Ruff, Mrs. James Annupia and Mrs. A. W. Ellis.

Circle No. 2 met at the home of Mrs. David Motes with Mrs. Gene Beck giving the devotion, Mrs. Ed Browning, Bible study and Mrs. Mildred Booth, talk about period.

Others attending were Mrs. Betty Kinlaw, Mrs. Inez Stokes, and Mrs. Henry Bridges.

Circle No. 3 met at the home of Mrs. Emmett Roberts. The devotion was given by Mrs. L. L. Prior, Bible study, Mrs. Irvin Zump and talk about period by Mrs. Clyde Clayton.

Others present were Mrs. Betty Lutz, Mrs. John Randolph, Mrs. C. D. McClure and Mrs. Ralph Pipes.

COMMUNITY COMMITTEE ELECTION HERE FOR PMA SEPT. 8th THRU 18th

All eligible farmers of the Belle Glade, South Bay, Chosen Community in Palm Beach County are hereby advised that an election will be held for the purpose of electing the PMA Community Committee, consisting of three regular members, two alternate members, one delegate to the county convention and one alternate delegate for the calendar year 1954. Ball boxes will be located at the following place:

PMA Office - Sanders Building
Belle Glade
Sept. 8, 10, 11, 14, 15, 16, 17, and 18, 1953

The polls will be open at 8:30 A. M. and close at 5:00 P. M. The following nominees have been selected by the nominating committee and their names will be placed on the ballot. Blank spaces will be provided on the ballot for writing in the names of farmers, other than those listed, for whom a person

might wish to vote.

For Community Committee
R. L. Braddock
Woodrow H. Buss
John L. Evans
W. S. Ingram
F. C. Markham
J. L. Murphy
W. E. Schlechter
James Sumnerlin
C. A. Thomas

For Delegate to County Convention

Joe Friedheim
T. W. Knight
L. L. Prior
E. M. Van Landingham

The method of voting will be by casting ballots at the polling place designated above. Persons will vote for only five persons for all offices for Committee Members and Alternates, and for only two persons to be elected Chairman, second highest Vice Chairman, the third highest Regular Member, fourth highest Alternate, and fifth highest Second Alternate. For the two offices of Delegate, the person receiving the highest number of votes will be declared elected Delegate and the second highest declared elected Alternate Delegate.

"This is an important election and all farmers are urged to go to the polls and cast their ballots," says County Agent Motes.

NEGRO NEWS

EVERGLADES VOCATIONAL HIGH SCHOOL

On July first our Agricultural teacher began the New Year's program by making surveys and drawing up a program which will be carried out during the 1953-54 school term.

On August third through the eighth our agricultural teacher attended the annual Agricultural conference which was held at Ft. Pierce, Florida, at the University of Tallahassee, Florida. This meeting was called by Mr. H. E. Wood, State Supervisor of Agricultural Education.

At this conference, preliminary plans for the 1953-54 State Agricultural Program were drawn up, discussed and given out to each teacher so his local situation can be studied and a local program can be drawn up to best suit the boys in the respective areas.

At the close of the conference, Mr. Wood gave our evaluation sheets showing the accomplishment each local chapter had made in the last twelve months. Our local chapter at Belle Glade NFA chapter was one of the six chapters in the state to win the Florida championship.

On August 25th Mr. Holliday, our Agricultural teacher, requested by Mr. Wood to be requested to Reddick, Florida, to pick up this Duroc Jersey Gilt. A general certificate showing the offspring of five generations was presented to our chapter. Our plan is to breed this gilt, when it is mated enough to be properly bred, with a registered male of the same breed.

In our NFA chapter Program of work, we hope to develop a vegetable demonstration garden that will consist of fifteen or more different varieties of vegetables. A list of our objectives for the year will be publicized about two weeks after our classes begin in September.

The Forest Products industry in Florida last year was valued at more than 323 million dollars, according to the Florida Forest Industries Association.

HOW AN INSURANCE COMPANY MADE A CAKE

We took our Residence Liability policy and we added golf, sports and dog liability—then for extra goodness we added medical, life, fire, and theft. The result is our new Comprehensive Family Liability policy which costs just \$10 for \$100,000 protection. Better see us today!

News Of Churches Of The Glades Area

KATHLEEN LIVINGSTON, Editor

YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU . . .

DEVOTION FOR SUNDAY, SEPT. 6

And the king shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. Matthew 25:40.

Read Titus 3:1-3.

Upon returning to the college dormitory after church one night, I learned from the cook that some food had been left over. Because it would not keep, he was thinking of giving it to the dogs. I thought that some people would be glad to eat it that night. I hastened to the main street.

There I saw several men and boys in a circle. While one in the center danced, the others were singing and clapping. Very quietly I joined myself to the circle and whispered the good news of the food to one of them. In a moment we found ourselves

making our way to the dormitory. After a prayer of thanks to God for the food and for those who were to eat it, they ate the food with delight. I thought that this is what our Lord meant when He said, "Inasmuch as ye have done it unto one of the least of my brethren, ye have done it unto me."

PRAYER
Our Father, help us to remember that not only lip service is required of us but also life service. Help us in our efforts to do unto others as we would have them do unto us, to remember "It is more blessed to give than receive." In the name of Christ our Lord. Amen.

Thoughts For The Day
Service for others in Christ's name is service to God Himself. Ronald Mahabir, The Upper Room.

PRESBYTERIAN LADIES DISCUSS DISTRICT MEET
Mrs. Robert Roadman was hostess at her home in South Bay recently to the Executive Board of the ladies of the Presbyterian Church.

Members present were: Mrs. Ralph Piper, Mrs. I. L. Price, Mrs. Irvin Zump, Mrs. E. E. Critchfield, Mrs. Gene Beck, Mrs. Richard Murray, and Mrs. W. K. Whitlock.

MRS. DALLAS NEHLS HONOREE AT SHOWER
The home of Mrs. Paul Kirchman was the scene of a stork shower complimenting Mrs. Dallas Nehls, Friday night following the meeting of the Ladies Aid of St. Peter's Lutheran Church.

Prize winners in contests were Mrs. H. E. Riedel, Mrs. Bob Fleish, Jr., Mrs. Bob Fleish, Sr., and Mrs. J. G. Allhand.

The meeting of the Ladies Aid opened with the song singing, "Just As I Am."

Mrs. Harold Riedel gave the stork lesson, a 67 chapter. Mrs. Bob Fleish was accepted as a new member and appointed chairman of flower committee.

The group agreed to send a card and handkerchief to Mrs. Clarence Luhnman, a former member who has returned to her home in Fairmont, Minn.

Refreshments were served by Mrs. Kirchman.

The next meeting will be held at the home of Mrs. Bob Fleish on Pahokee Rd.

EPISCOPALIANS MARK FIRST SUCCESSFUL STEP ESTABLISHING CHURCH

Last Sunday night when the members and friends of St. John's Episcopal Mission assembled at the home of Mrs. Tommy Chappell to recite Evening Prayer and hear Mrs. Stafford Beach speak on "Spiritual Healing" and "The Healing Ministry of the Church," it

marked the end of one phase of their existence and the beginning of a new one.

About nine months ago a meeting of Episcopalians and others was held in Dr. G. R. Townsend's home to test the response of the field of religious education, serving as Educational Director of the Columbus Avenue Baptist Church in Waco, the First Baptist Church in Greenville, and the First Baptist Church in Denton, Texas. He felt a call to preach, and was ordained in 1941.

He studied briefly at the Southern Baptist Theological Seminary in Louisville, Kentucky, and entered the Army as a Chaplain in December, 1942. He served as an Army Chaplain until February, 1944. He was then pastor of the Bolivar, Texas Baptist Church from 1944 to 1948; pastor of the First Baptist Church in Waco, Texas, from 1948 to 1949; and has been pastor of the First Baptist Church in Ada since 1949.

During his four years in Ada, Dr. Stevens has led the church there to a 50-50 division of its budget. Gifts to the Cooperative Program rose from 10% in 1949 to 50% in 1952. The Ada Church was the first in the Southern Baptist Convention to reach the 50-50 goal. In addition, the church has had some 750 baptisms and approximately 1,600 additions during the past four years.

During the time Dr. Stevens was serving as pastor at Bolivar and Wharton, Texas, he was studying at the Southern Baptist Theological Seminary in Fort Worth. He completed the Master of Theology Degree there in 1948.

Dr. and Mrs. Stevens have four children, Paul, Jr., 15; John, 13; Mary Margaret, 12; and Mark, 12.

The whole of the inspirations of our civilization springs from the teachings of Christ and the lessons of the prophets. To lessons of the prophets. To read the Bible for these fundamental truths is the responsibility of American life. — Herbert Hoover.

Outline for the INTERNATIONAL SUNDAY SCHOOL LESSON, SEPTEMBER 6, 1953
LESSON TOPIC — "The Christian's Use of Possessions"

SCRIPTURE — 1 Timothy 6:8-9
INTRODUCTION:
Paul gives some advice that is sorely needed in our day; the attitude of the Christian toward his possessions.

I. Godliness is a Way of Gain — 1 Timothy 6:3
This possession money cannot buy, yet it is the most valuable possession available to all.

II. Godliness with Contentment — 1 Timothy 6:8-9
One of the most important things that the Church can do today is to teach the people of this materialistic age to know the meaning of Godliness with contentment.

III. The Desire to be Rich — 1 Timothy 6:9-10
This desire has been the ruin of many a life. Our prisons are full of those driven by this blind desire. Many a home cannot be called a home, because of this desire which overrides the more important functions of family life. This false goal has soured the waters of life for untold numbers. Contentment can become isolation in which the worship of mammon replaces the worship of God.

IV. The Charge to the Rich — 1 Timothy 6:17-19
Paul warns against the sins that can come from riches. He warns that the rich and all men are to be stewards of their possessions, and are to do good with their material means. When a man does this, he is laying up treasure in heaven, which will be eternal. It is a serious thing to have wealth that is earthly and be poor in the wealth spiritual.

During the last days of His ministry on earth, Jesus made very remarkable promises regarding prayer. He said, "And whosoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask anything in My name, I will do it." John 14:13, 14. Again, "If ye have faith, and doubt not, ye shall not only do it, but ye shall be able to do it, though ye shall say to this mountain, Be thou removed, and be thou cast into the sea; it shall be done. And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." Matthew 21:21, 22.

THE STORY OF THE WITHERED FIG TREES and the promised power in prayer which would remove mountains is a challenge to every Christian. We tend to spiritualize these promises and explain them away as figures of speech because we do not believe them; hence we are powerless. Even Jesus was powerless in the face of unbelief, and He could then do no mighty work, save that He laid His hands upon a few sick folks, and healed them. And He marvelled because of their unbelief." Mark 6:5, 6. But most praying is powerless, you say. How may we pray in a way that shall start the machinery of heaven?

SOUTH BAY BEAN CITY LAKE HARBOR

Mr. and Mrs. Julian Woods of South Shore Plantation had as overnight guests last week, her parents, Mr. and Mrs. J. A. Tompkins, and friends, Mr. and Mrs. Mitchell Mann and two children of Sumpterville. Mr. Tompkins remained for a few days with his daughter and family, the others returning home.

Mr. and Mrs. E. E. Hardy of Lakeland spent the weekend with her mother, Mrs. L. O. Ratley.

Mr. and Mrs. C. E. Crichfield visited in Tampa Friday and brought home their daughter, Janet who had spent the week with her aunt and uncle, Mr. and Mrs. A. P. Graham.

Mr. and Mrs. Melvin Gloss of South Shore Plantation were the Sunday guests of Mr. and Mrs. Ralph Johnson and family in West Palm Beach.

Linda Abstein spent the week with her grandparents, Mr. and Mrs. W. C. Allen. The Allens took her home Sunday and spent the day with their daughter and son-in-law, Mr. and Mrs. Floyd Abstein in Port Pierce.

Word was received here last week of the death of Arthur Boynton Glidden at his home in New Castle, Maine on August 21. He was the cousin of the late Glidden J. Barstow and with his wife spent the last two winters in South Bay as guests of Mrs. Barstow.

Mr. and Mrs. Thurmon McKinley of South Shore Plantation attended an all night Singing Convention in Miami recently.

Mrs. L. D. Morrison has been a patient at Belle Glade Memorial Hospital this past week for observation and treatment.

Mr. and Mrs. A. O. Walker, Jr. of Macon, Ga., visited his sisters, Mrs. D. L. Shiver, Mrs. W. F. Ferguson and Mrs. Carroll Warren here last week and her parents, Mr. and Mrs. Floyd Andrews in Clewiston. Junior is entering law school in Macon this month.

Rev. and Mrs. H. R. Harlee and son of Lake Harbor were Sunday dinner guests of Mr. and Mrs. Julian Wood at South Shore.

Mr. and Mrs. M. E. Funder, South Bay, during the service, have taken one of the Willis Apartments.

Mr. and Mrs. H. R. Layfield, daughter Nancy and her mother Mrs. J. S. Scoggins of Lake Harbor visited their son and daughter-in-law, Mr. and Mrs. James Layfield in St. Augustine last week and his relatives at Fort White.

Mr. and Mrs. O'Neil Walker and son, Gary have returned from a visit with her mother, Mrs. T. Jacobs in Tampa, Mr. and Mrs. Alton Byrd in Panama City, Mr. and Mrs. B. F. McKinney at Bowling Green.

Max Booth, son of Mr. and Mrs. Charles Booth, accidentally shot himself in the foot with a 22 rifle while target practicing a week ago Sunday.

Mr. and Mrs. W. E. Clinard of South Shore attended the Glades Singing Convention in Pahokee recently.

Bob Roberts narrowly escaped death or serious injury recently when his dusting plane was side-swiped as he was taxiing to take off with a full load in Georgia. He suffered only minor injuries due to the fact that he saw the other plane in time to avoid head on collision.

Mr. and Mrs. E. W. Broome and family have moved to South Bay from Belle Glade and are occupying the Linton Miller dwelling on Lake Ave.

Miss June Ratley has returned from a months vacation spent visiting her sister, Mrs. E. E. Hardy and family at Lakeland, her sister, Mrs. Charles Lashley and family in Tampa, and her brother, Captain L. O. Ratley, Jr., and family in Washington, D. C.

Mr. and Mrs. Leland Hardy of Oklaeata are on a two weeks vacation visiting relatives and friends at various points.

Mrs. Henry Elfer and children accompanied her parents, Mr. and Mrs. Smith of Oklaeata, to the D. D. Smith, Nebraska for a six weeks vacation visit among relatives and friends.

Mrs. Mary McCauley, Mrs. Clayton Waters, Galt, Martin and Ray Sullivan visited Mrs. McCauley's brother, Marion Shober and wife at Sandford Sunday.

Mr. and Mrs. Felix Bradock are visiting in Iron City, Fla. Their son and wife have recently moved to South Bay from Devil's Garden.

Frank B. Willis, treasurer of the Lions Club, reports approximately \$250 net proceeds of the Fish Fry last week at which time 320 plates were served. The proceeds will be used to buy playground equipment for the school.

Guests of Mr. and Mrs. W. C. Lantier last week were her brother and sister-in-law, Mr. and Mrs. Roy Hendry of Marathon, his mother, Mrs. Lawrence Hebert, and sister, Mrs. Harry Mathog of Tampa.

Mrs. Doyle Brannon of Port Mayaca was the Thursday guest of Mrs. James Jackson at South Shore Plantation.

Mrs. Editha Eckman, first grade teacher, reports the registration of 22 children on Monday with 5 more to be registered before school opens.

New CASE Field Forage Harvester

Here's a sturdy machine which provides a real short-cut in the making of corn or sorghum silage. In one power operation, the Case field forage harvester cuts the standing row crop, chops it into short, uniform lengths, and loads the chopped material into truck or wagon driven alongside or trailed behind. Also may be equipped with pick-up attachment for windrowed hay crops, green or dry. See us about it.

SOUTH BAY LIONNETTES WIN 4 OUT OF 13 GAMES

The South Bay Lionnettes sponsored by Clayton Waters and E. K. Kirchman have just completed a successful summer softball season during which they played 13 games, winning 8 and losing 5.

Their official uniform consisted of white sport shirts with "Lionnettes" in green across the back, lewises and sneakers. Lewis Kelsow was manager and C. E. Crichfield official score keeper.

Transportation to out of town games was furnished by Clayton Waters, C. E. Crichfield, Lewis Kelsow and Dolly Rutledge.

Jeannette Hobby was pitcher, Dolly Rutledge catcher, with Josephine Martin and Mary Frances Hart, substitute pitchers and Murrill Ellison substitute catcher.

The only casualty during the series was a finger injury sustained by Murrill Ellison in the out of town game with Fort Myers when she slid into base injuring her foot and putting her out of the next game.

Gate receipts in every game went to the hostess nine to meet expenses of lights for playing. Profits from the stand operated by Loretta Crichfield and Mary Waters will go toward a Public Address System for the ball park and community.

Games won were 2, a double header, with Fort Myers; 2, a double header with Lake Worth; 1 with LaBelle and 3 with Clewiston.

Games lost were 2 with Fort Myers, one running to nine innings to play off a tie; 2 with Lake Worth and one with LaBelle.

Play was marked by excellent pitching of Jeannette Hobby, who struck out 27 batters, made 4 home runs and 4 triples, and all around good batting and fielding by the home players.

Scores in out of Glades games were as follows: Lake Worth at South Bay, 18-9 and 11-7, a double header, won by South Bay. South Bay at LaBelle, 23-9 in favor of South Bay. South Bay at Fort Myers, 11-7 and 14-1 in favor of South Bay. Three games with Clewiston, all with winning scores for South Bay. South Bay at Fort Myers, 19-14 in favor of Fort Myers, nine innings to play off the tie. Fort Myers at South Bay, 13-5 in favor of Fort Myers; Lake Worth at South Bay, a double header, 9-5 and 6-5 in favor of Lake Worth. South Bay at Lake Worth, 18-6, played under protest of illegal pitching on part of Lake Worth with pitcher standing 30 feet instead of legal 38 feet from batter.

Players ranged from 12 to 25 in age. Other players who played in at least one game were Lucy Pearl Kelsow, Ethel Jackson, Loretta Crichfield, Ann Driggers, Judy Sullivan, Patsy Hobby, June Ratley, Mary Waters, Barbara Willis, Quinon Shiver, Claudine Warren, Martha Walker, Jane Allen, Virginia Kelsow.

MICHAEL SHIVER HAS 5TH BIRTHDAY PARTY

Michael Shiver was complimented on his fifth birthday, August 23 at a party given by his mother, Mrs. D. L. Shiver of South Bay. The little folks were entertained with games and toys.

Refreshments were served to

Kathy and Billy Fergusson, Kathy and Jimmy Warren, Glen Crichfield, Dick and Doris Willis, Larry and Pat Bowen, Galt and Ray Sullivan, Kathy and Mrs. Bryant and Betty, and Travis, Norma and Gladys Dalrymple, Neil Walker, Kirk and Herring, Brenda and Ed. Kelly, Darryl Sanders, Wayne Partain, Larry and Lynn Kersey, Terry and Ann Priest of Chosen, Barbara Williams and Debra Shiver of Belle Glade, Diana, Danny and Donald Shiver.

Adults attending were Mrs. Shiver, Mrs. C. W. Shiver, Mrs. Herbert Priest, Mrs. H. B. Walker and Mrs. J. C. Warren.

SHIRLEY MILLER FETED WITH BIRTHDAY PARTY

Mrs. O. S. Miller of South Bay entertained at a birthday party for her daughter, Shirley, on her birthday. The children were entertained with outdoor games at the Evans Roadside Park on Palm Beach Road. Wayne Harrelle was awarded the prize of the afternoon.

Refreshments were served to June Boatwright, Lucy Pearl Kelsow, Susie Willis, Rebecca Woodham, Jimmie Lou Sumner, Genie Crichfield, Gladys Messer, Otis Yarbrough, Sue and Billy Miller, Wayne Harrelle and Shirley Miller.

11TH BIRTHDAY PARTY FOR JUNE BOATWRIGHT

Mrs. A. J. Williams of South Bay gave a birthday party Monday afternoon in honor of her granddaughter, June Boatwright on her eleventh birthday. She was assisted by Mrs. R. B. Woodham.

The weather being inclement, the children were entertained with indoor games. Ice cream, cake, nuts, candy and punch were served to Shirley Miller, Sandra Cooper, Linda Wilder, Rebecca Woodham, Linda Leathlean, Lucy Pearl Kelsow, Galt Boatwright.

McLENDONS HAVE DINNER PARTY SATURDAY NIGHT

Mr. and Mrs. Bryant McLendon entertained at a dinner party Saturday evening at their home on S.E. Fifth St.

Those present were Mr. and Mrs. E. P. Person, Mr. and Mrs. Harry D. Smith, Mr. and Mrs. W. S. Ingram, Mr. and Mrs. George Tedder, Mr. and Mrs. Ted Daniels, Mrs. Gathie Ringo and Mrs. June Price and son Bryant.

FT. LAUDERDALE JUNIOR CHAMBER PLANNING MEET FOR ORGANIZATION HERE

Robert L. Catlin and Ray Sell, Co-chairmen of the Extension Committee of the Ft. Lauderdale Junior Chamber of Commerce, held a meeting Monday night at the Ft. Lauderdale Junior Chamber of Commerce to plan for the organization of the Junior Chamber of Commerce in the Ft. Lauderdale area.

Mr. and Mrs. Edley, President of the Belle Glade Chamber is actively sponsoring this meeting which will be held in the City Hall on September 8th at 8 p.m.

All persons between the ages of 21 and 35 are invited to attend as prospective members.

and others who are willing to aid in the formation of an active group.

Several officers of the Ft. Lauderdale Chamber will be present at the meeting and a full discussion of the aims and accomplishments of the Junior Chamber will be had, with questions invited.
